Other related duties may include performing trip generation, distribution, and level of service analyses for public and private development projects; managing transportation engineering consultants; performing traffic safety studies and analyses; and providing development review testimony at land use hearings. The position reports to the Concurrency Management Supervisor. Applicants may be hired at either the Engineer I or II level, based on their qualifications.

QUALIFICATIONS

Engineer I: B.S. degree in Civil or related engineering. - **OR** - High School Diploma or G.E.D. and two (2) years relative engineering work experience and possession of an E.I.T. certification.

Engineer II: B.S. degree in Civil or related Engineering and two (2) years experience in an Engineering I classification or equivalent.- **OR** - High School diploma or G.E.D. and four (4) years relative engineering work experience to include a minimum of two (2) years experience in an Engineering I classification or equivalent and possession of an E.I.T. certification.

The County will consider substituting additional professional or technical civil engineering experience for all or a portion of the formal education requirement. The following additional knowledge and experience is highly desirable.

- Land use permitting and development review process; traffic engineering and planning packages such as Highway Capacity Software, Traffix software, etc., the Manual on Uniform Traffic Control Devices, the Highway Capacity Manual, and other traffic engineering principles;
- Reviewing and analyzing transportation impact studies for public and private development projects;
- Presenting to groups and working with colleagues, neighborhoods, and groups in the conduct of studies.

Knowledge of: advanced principles and practices of traffic engineering; land use and development review practices; application and interpretation of County codes, policies, and procedures.

Ability to: interpret laws, codes, and ordinances as they apply to transportation and traffic engineering, development projects, and general governmental traffic engineering services; establish and maintain effective working relationships with coworkers, private and public agencies, and citizens; interpret and/or prepare complex plans and specifications, maps, and reports; communicate professionally both orally and in writing.

SALARY

The salary ranges are: Engineer I \$20.26 – \$25.86 per hour and Engineer II \$23.44 – \$29.93 per hour. It is the general policy of the County to start employees in the lower or middle sections of the salary range. Clark County provides a generous benefits package, which includes medical and dental insurance, paid holidays, vacation, sick leave and retirement. This position is represented and requires membership in Local 17, International Federation of Professional and Technical Engineers, AFL-CIO.
